Dear Howard,

Thank you very much for your very kind donation of £50, raised by the students at Caludon Castle School through a cake sale, a year 7 football tournament and music concerts. Please pass on a huge thank you to all who helped raise such a great amount. Your support means so much to us and we promise to make it count.

Cancer Research UK is fighting for a world where no one's life is cut short by cancer. There is real hope too; each year our scientists get closer to finding a cure and in the last 40 years we've helped double survival rates.

Thousands of people are alive in Britain today thanks to progress made in cancer research. However, our funds are raised almost entirely through public donations so we rely overwhelmingly on the support of people like you.

If you have chosen to hear from us, we'll keep you updated about the progress we are making and the ways you can support our work in the future. If you would prefer not to hear from us, and haven't told us this already, you can contact us on 0300 123 1022 or at supporter.services@cancer.org.uk to let us know. If there is anything else we can do for you please call us on the number above or you can visit us at www.cruk.org.

One day we will beat cancer. Thank you for helping us make it sooner.

Yours sincerely,

Trudy Stammer
