

Trust Strategic Planning – Audit and Risk

The Supporting Team

- Audit & Risk Committee
- Headteachers of individual establishments

Key functions

- The risk management strategy has been designed to provide a framework for managing the risks the Trust and individual establishments face. It also ensures its objectives are reached in the most effective way.

Achievements 2016/17

- Construction of the risk register
- The formation of the Audit & Risk Committee

Challenges and Trust priorities for 2017/18

- Membership of the committee

Key developments planned for 2017/18

- Governors to visit each other's school to review the different sections of the risk register and report back to the committee
