

09 April 2020

Dear Student

Several of you have expressed an interest in returning to Caludon in September to start A levels and level 3 qualifications, and there may also be a number of you who are undecided about what you want to do in the future. After Easter, we are going to provide transition work for all subjects and this will give you an opportunity to try out different courses to see if they are suitable for you. This work will be available on Firefly from the week beginning Monday 4 May. You are welcome to access as many subjects as you like, and we suggest that you also spend some time researching which subjects would be the most useful for future careers or university courses.

There is still time for you to apply to the sixth form, should you wish to do so. Further information about the courses available, our entry requirements and our application process is available on our website. Students who have yet to apply for a place at college or school next year, or who do not yet have an apprenticeship, should get in touch with Mr Stokes via email. He will support you with this process, including careers advice, after the Easter break.

We wish you a relaxing Easter break and look forward to seeing you soon.

Yours faithfully

Mrs S Carter  
Interim Head of Post-16
