Year 10 Induction/Orientation

Dear Parent/Carer

Thank you for your replies to our previous letter concerning year 10 students coming back into school. As explained, we will be seeing the students for a 45-minute induction session next week. Following the orientation week, each student will have a morning of English, Maths and Science lessons once a fortnight. Virtual school will continue to run on Firefly alongside this.

The timetable for the induction sessions is given below. It is important students only attend at these times as we have to follow strict guidance on numbers. Year 10 students who are in the Keyworker school will have their orientation session together during their normal Keyworker school day on Tuesday. They are not expected to attend with their tutor group.

	Monday 15	Tuesday 16	Wednesday 17	Thursday 18	Friday 19
9.30 am	10.8	10.1	10.7	10.4	10.5
11.00 am	10.2	10.3	10.6	10.9	

Can the students please wait outside reception, adhering to socially distancing rules, no earlier than 10 minutes before their timetabled slot. They do not need to wear uniform for these sessions.

For this session, and all others, we advise that as far as possible students walk or cycle to school, or are dropped off by car. This is to avoid public transport. If public transport is the only option, please note that face masks are to be worn at all times on the bus. Please ensure that your child is adequately equipped for this and the return journey.

Days and timings will *not* be the same as above for the following core subject sessions; we will communicate those times next week.

The induction will include the safety measures we have introduced, the routine for the following weeks, and a chance for students to ask individual questions about any concerns they may have.

We would obviously love to have all the students back in as before but we must adhere to the government guidelines, and ensure that everyone's safety is kept at the heart of what we do. Once again, thank you for your support and patience during this extraordinary and challenging time.

Stay safe and well.

Yours faithfully

Mr S Carter  
Deputy Headteacher

Mrs S Hutchinson  
Assistant Headteacher

Mrs S Edwards  
Year Leader
