Dear Parent/Carer

As many of you will have heard on the news, Years 7-10 will be remote learning during the first week of term. Years 11, 13 and some classes which have vocational exams the following week will be in school.

We are preparing for the proposed testing of staff and students. However, the finer details of this will be communicated on Monday 4 January or sooner, once we receive the details from the DfE, which have not been released yet.

I am sorry that we cannot be specific at this time but, as you know, we only became aware of this last night.

Please be aware that during the holiday period, if you need to report that your child has received a positive COVID-19 test result, could you please email Covid19@caludoncastle.co.uk with the following details:

Name of student, tutor group, date of symptoms, date of test, date positive result received, parent/carer contact phone number.

Or, alternatively, complete the online form by following this link:

I wish you a very Merry Christmas and hope you all have a relaxing break.

Yours faithfully
