Dear Parent/Carer

**Re: Year 12 mock exams and work experience**

Year 12 will return to school on Wednesday 4 January and then they begin their mock exams in the majority of subjects from Thursday 5 January until Friday 13 January, which will cause disruption to their lessons. Whilst students will not have official study leave, if they have an exam in the afternoon, then they will not be required to attend lessons during that morning to give them the opportunity to revise. Teaching staff will let students know if lessons are taking place during this period via Firefly. For subjects without mock exams, lessons will continue as normal. Skills lessons will not take place during this time and will resume the week beginning Monday 23 January.

Year 12 work experience week is from Monday 16 January until Friday 20 January. Any students who have not managed to secure a work placement will be expected to be in school between 9.00-3.00pm every day to follow a careers-based programme.

Please do not hesitate to contact us if you have any questions.

We wish you an enjoyable Christmas break.

Yours faithfully
