Careers advisor

Carole Foster, our Careers Advisor, is currently making appointments to see Y10 and Y11. She is also happy to see students from Y12 and Y13 who are in need of advice.

Let your year leader or Ms Hutchinson know if you want to see her. Post-16 students can email the pastoral office directly to ask for an appointment if they wish.

Free Summer School Years 10 and 11 in STEM or Arts 2nd-4th August 2023

Coventry University's Outreach Team are excited to announce our Summer Schools for current Year 10 and 11's, which will be taking place at our Coventry University Campus from 2nd – 4th August 2023 and are completely **free** to attend. https://www.coventry.ac.uk/study-at-coventry/parents-and-teachers/our-programmes/summer-school-2023/

Summer schools are a fantastic opportunity for young people to visit Coventry University and stay in our halls of residence. Allowing you to get a hands on experience what it is like to study at university. It will be a fun packed schedule filled with various activities to showcase the University, including:

1. Spending two nights in Coventry University halls of residence
2. Taking part in creative and informative taster sessions
3. Enjoying a range of evening activities

Most importantly, our summer schools are **free** for students to attend. This includes: accommodation, food and drinks and evening activities.

We have two strands to our summer school for 2023: Arts and Creative Industries and Science, Technology, Engineering and Maths (STEM). You will be able to attend a variety of engaging academic taster sessions and take part in hands-on activities in your area of interest. There will also be an opportunity to meet our current students and find out about what it is like being a student at the University while exploring our campus.

If you would like to apply for a place on our summer school, please complete the application form here: https://bit.ly/CovSummerSchool23 or scan the QR code below by the closing date of **31st May 2023**:

We do have limited places in our summer school and each application will be judged on its own merits. We would therefore recommend giving as much detail as possible within the 'Application' tab on the form. All applicants will be contacted by the 15th June 2023 with a decision.

Swansea University - Welcome Back Spring Events Bulletin

We are delighted to announce that our **Head Start Webinar series** has returned for Spring!

Head Start is a series of webinars, aimed at helping Year 12 and 13 students prepare for University and gives you an insight into student life. These 12 virtual evening sessions cover important student life topics and subject-specific webinars with a live Q&A student ambassador panel.

These are a great opportunity for you (and your parents) to find out more about:

- The clearing process
- Accommodation
- The Student Union, societies, and sports
- Employability with Swansea Employability Academy
- Student support services, disability, and welfare

Plus, we have Q&A subject sessions with university staff and current Swansea students, covering everything from placements, global opportunities, and student stories on the day-to-day activities of studying specific subjects. These sessions explore **Engineering, Humanities, Biomedical Sciences, NHS courses and studying more than one subject at Uni.**

It is a great tool to ease the transition to higher education. You can book your sessions now on our **Head Start Webpage.**

Open Day- 17th June

If you missed out on our Spring open days, you can now register your interest for our June Open Day. Subject-specific taster lectures, campus, and open houses in accommodation are just a few of the great activities we have planned for you and your family. Plus, our famous Joe's ice cream stand will be in full swing on both campuses.

SurgeryLive - Operating Theatre Surgical Work Experience

Please note this opportunity will cost £87

Please see below details of our upcoming flagship course **SurgeryLive** – a virtual operating theatre giving surgical work experience.

In this exciting full-day course, you will gain insight into the world of Surgery and learn what it's like to be a surgeon. The online interactive course combines real-life surgical cases with real-time surgical theatre simulations and guest doctors from varied specialities to share an insight into their lives. And lastly, the most popular session with students is the live suturing demonstration. You will be sent a full medical suturing kit through the post to learn to suture under the guidance of practising NHS surgeons.

The next SurgeryLive virtual course will be held on **Saturday, June 24th 2023**. We have received excellent feedback from previous courses and are thrilled to be able to offer this opportunity to more students. The cost of the full-day course, including a full medical suture kit, access to recordings and course certificate, is £87.

More information and enrolment can be found on our website at:

www.doctorslive.co.uk/surgerylive

Places are usually oversubscribed and are offered on a first-come, first-serve basis.

Racing Club Warwick Football & Education Programme

Please see below details about our upcoming Football Education Programme and taster day.

Our Football Education Programme is designed to provide students aged 16-19 with a unique opportunity to develop your football skills while also gaining a nationally recognised qualification. The programme is delivered in partnership with a reputable educational provider and is aimed at students who have a passion for football and wish to pursue a career in the sports industry.

The programme is based at the Racing Club Warwick and provides you with access to state-of-the-art training facilities, expert coaching, and work experience opportunities within the industry. Our aim is to help you develop the skills and knowledge needed to progress onto university or employment in the sports industry.

We would like to invite you to attend our upcoming taster day, which will take place on **Tuesday 30th May from 10am until 3pm** at the Racing Club Warwick. The taster day will provide you with an opportunity to learn more about the programme, meet the coaching staff, and take part in a football training session.

We believe that our Football Education Programme can provide you with an exciting pathway into the sports industry.
