Vocabulaire:

Cultural differences

- One thing you find 'weird' or some 'fun facts' about the country.
- Ex: La bise

TIF: Include some opinions in French.

A mon avis, la bise c'est nul. Je trouve que c'est trop compliqué car il faut savoir à qui la faire et aussi on ne sait jamais combien de bises il faut faire. Je pense que serrer la main c'est mieux.

Vocabulaire:

Highlight 1: Music

- Angele is from Belgium
- Famous in France and Belgium since 2018

Thanks to her powerful songs

- Use her songs to challenge sexism and global warming

Can you find any singer or song from/ about the country. Do you like it? Why?

If you research a singer, choose at least one song. What is the song about?

global

Ma chanson préférée c'est 'Balance ton quoi' car les paroles sont engagées. Aussi je trouve que le clip est passionnant.

Vocabulaire:

Music 2: Film

Look into a movie or short movie from or about the movie. Research it and present what you found.

Think about :

What is the movie about?

Where is it set?

Did you enjoy it? Why ?
