The School Day

The school day begins with a tutor period of ten minutes; an essential start to the day and check in with tutors when the register will be taken, daily information shared and standards reinforced.

For four days of the week, students in years 7-11 will have a daily lesson in 'Personal Development'. This 30-minute lesson will include character development, RSE, citizenship, current affairs and careers, taught by our tutors. We will publish this curriculum on our website for the new school year. Once a week this slot will be an assembly.

The school day will run as follows:

8.40am gates open	
8.50am	Tutor period
9.00am	Lesson 1
10.00am	Lesson 2
11.00am	Break
11.20am	Lesson 3
