Caludon Castle School Careers Bulletin

Friday 22nd November 2024

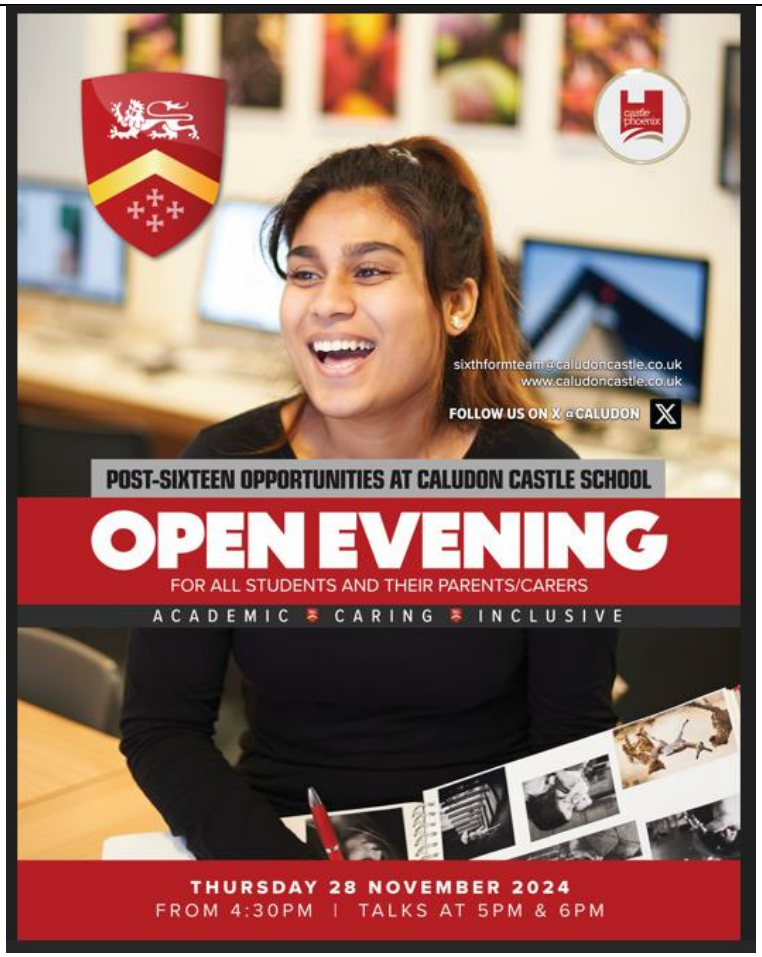

Hello
I wanted to take a minute to introduce myself to you if we have not had the pleasure of meeting yet. I am Mrs Louise Tyrrell, the new lead for Aspirations and careers at our school. In this bulletin I have collated some links from our local area that you may find useful. If there there are any specific areas you would like more information on or you have any questions about any of the information in this bulletin, please contact me by email

We are excited to host our Post 16 event on Thursday 28th November which is set to be a highly informative event. Our 6th form subjects will be in attendance as well external agencies such as Colleges, Universities and Apprenticeship leads. Just ask if you would like a full list of attendees.
Parents/Carers are welcome to attend, to ask questions of the different stands, as well as myself and the Careers advisor. I look forward to seeing you in person.

Careers advisor

In November, we'll welcome our new Careers Advisor, Laura Chaplin. She will be concentrating on seeing the new year 11 students, but will also be able to see anyone from year 9 upwards.

Let your form teacher or Mrs Tyrrell know if you would like to arrange an appointment. Post-16 students can email the pastoral office directly to ask for an appointment if they wish.

Higher Education Degree Open Evening - Wednesday 27th November 2024, Sphinx FC

Our HNC Degree Open Evening will be taking place on Wednesday 27th November 18:45PM - 20:00PM at Coventry Sphinx FC, CV3 1WA for our Higher Education Degree Pathway here at Future Pro Academy.

We work in partnership with The Higher Education Academy of Sport & Loughborough College to offer you a unique Football & Higher Education programme for students aged 18-23. The programme is designed for you to undertake degree-level courses in sport continuing your football development at Future Pro accessing full-time training, showcase fixtures, and first-team opportunities available.

It was fantastic to see Future Pro students graduate in September at Loughborough after progressing from our HNC Level 4 and HND Level 5, ultimately achieving a Level 6 BA Honours degree.

You have the option to complete 2 years up to Level 5 or alternatively progress yearly starting from Level 4 HNC to Level 5 HND. Each year is treated as a separate qualification with the option to top up. You will benefit from studying on-site with us in a blended learning programme and with our link to Loughborough College you will have access to amazing campus facilities 1-2 times per term.

The football programme offers excellent pathways and exciting opportunities to receive high-quality training sessions from UEFA A Licensed Academy coaches who have a proven track record of producing top-flight players. The academy has also established excellent links with The England FA coach education team & Professional Footballers Association. Working in the community and in partnership with Coventry Sphinx FC, we are able to provide you with the opportunity to play in a competitive games programme with a clear pathway to first-team football and the sports industry.

Please see the below flyer for full information regarding the trial days and open evening for the year.
